Corporate Sponsorship Opportunities
2016

"We Are Making a Difference"

Dear Friends,

As President of the Franklin Community Center Board of Directors, I welcome you to the 2016 Corporate Sponsorship Campaign and encourage you to look through the enclosed materials to see how you can work with Franklin.

It is known throughout Saratoga Springs that if an individual or family is in need of food, clothing, education, or shelter, they can call on Franklin Community for help. For more than 30 years, our team of dedicated staff and volunteers has worked hard to ensure that those in need have access to basic necessities.

During the past year Franklin expanded two of its largest programs – the food pantry and Project Lift – making the Center better equipped to serve our community. Thanks to the success of our capital campaign, we constructed and expanded the food pantry area to provide more food with easier access. The food pantry serves approximately 190 families per month and the need continues to grow. We were also able to increase the number of schools offering Project Lift – a program that is unique to Saratoga Springs and has proven to be a critical asset to children and families in the Saratoga City School District.

The Franklin staff is always working to meet the ever-changing needs of the community through our range of programs and services. With your support, cooperation, and assistance, we can continue to grow and improve ourselves in the upcoming year.

Please take some time to review the enclosed materials and think about how you and your colleagues can help. We are always open to new ideas – in fact, some of our most notable improvements have come from our supporters.

We pledge to continue to provide the very best for our community, knowing that with each person we serve, we are making a difference.

Thank you for your support,

Christopher Cook

*“You helped me when no one else would—a single woman temporarily out of work—there’s not a lot of resources for people like me.”
-Client of FCC*

*“Our **mission** is to work collaboratively with individuals and other agencies to provide services that will improve the quality of life and foster a sense of neighborhood, community and family for all people.”*

Franklin Community Center is a **non-profit human service agency**, located at **10 Franklin Street** in Saratoga Springs, New York, that has been providing basic necessities and services to less fortunate individuals and families in our area for over 30 years. Serving more than 6,000 people annually, we provide efficient and effective services to promote healthy lifestyles and positive changes, always holding on to our philosophy: **“Send people out the door with whatever they came in looking for.”**

Despite the glamorous and affluent reputation Saratoga Springs has in the minds of many, as in most cities, there are also those **people who struggle to make ends meet every day**. The unique and comprehensive approach of Franklin Community Center fosters a sense of family for those in need, without the discomfort of bureaucratic paperwork and prying questions. We offer guidance and advocacy, while providing a safe, comfortable and non-judgmental atmosphere.

Because we rely heavily upon community donations, fundraisers and corporate sponsorships to supplement our annual budget, we pride ourselves on creating sustainable relationships. Our donors are reassured by our positive reputation and fiscally conservative approach while our consumers are touched by our empathy, care and concern.

There are no fancy desks or office equipment, or hefty administration costs; **every dollar that comes in goes directly back into the operation of our programs**. It is this “what you see is what you get” approach that allows us to stand behind our original and most important mission of meeting the needs of the community. The support from others is what keeps us going every single day, thriving in an environment where neighbors helping neighbors is the driving force.

We thoughtfully request your support of our mission in the upcoming year. Your donation will benefit Franklin Community Center and ultimately, our friends and neighbors. With your help, we will continue making a difference in 2016.

Why We Are Different...

Franklin Community Center strives to **make your dollar stretch** as far as possible.

Here's how:

- **Small Staff** to reduce overhead
- **Support Local Business** to do our part to give back
- **Environmentally Conscious**
- **Commitment to Community**

“Your grassroots approach to helping people is exactly what this community needs during this economy.”
- Mary M., Donor

If you would like to experience Franklin Community Center first-hand, please contact us at 518-587-9826. We would be happy to give you a tour of our facilities or invite you to our programs.

Franklin Community Center is proud to offer the following programs and services:

Information and Referral Services – Staff members work diligently to provide clients with advocacy, information and make appropriate referrals to agencies best equipped to meet their current and future needs.

Food Pantry – In 2015, we expanded our food pantry to accommodate the growing need for it. We now have a large refrigerator and freezer allowing us to accept both perishable and non-perishable items. Funded heavily by community donations, our free food pantry also contains hygiene supplies, pet food and baby items.

Holiday and Back to School Assistance – During the summer months, school supplies are collected and distributed to students who may have otherwise been unprepared to begin the school year. During the holidays, gifts are collected and distributed to hundreds of local children.

101 Washington Street – Our distribution center is operated by volunteers and is open to the public Wed – Fri for free shopping. Each Tuesday we accept donations of small household items, clothing and toys. 101 Washington Street is also a ‘Coats for Kids’ site throughout the winter months.

Furniture Distribution – FCC acts as a liaison between donors and recipients in need of specific furniture items. Donors are placed on an ongoing “donations” list. When a client requests an item, donors are matched with recipients and transportation arrangements are made at the donor’s convenience.

Franklin Community Manor – Owned and operated by FCC, the Manor houses 17 efficiency apartment units. There are 2 additional units that are situated above our distribution center at 101 Washington Street. These units offer safe and permanent housing, with rent kept extremely affordable, so those living on a fixed income can afford shelter.

Project Lift – A free after school prevention program, Project Lift serves at-risk students in grades 1-5 in the Saratoga Springs City School District. ‘Lifters’ learn about the dangers of drugs, alcohol, tobacco and gambling while learning to build their self-esteem, realize their self-worth as well as learn how to set and respect healthy boundaries. Students are provided with positive role models in a safe and fun environment. Programming follows the school day and takes place at their school. In addition to program enrollment, families of ‘Lifters’ have the option to enroll in our free back to school and holiday assistance programs, summer camperships, ancillary services and family events. Research based curriculum is utilized and evaluations are conducted annually. The program currently operates in: Greenfield Elementary School, Geyser Road Elementary School, Caroline Street Elementary and Dorothy Nolan Elementary. An expansion to include Division Street and Lake Avenue Elementary Schools is scheduled for October 2016.

Community Meeting Space – Located at FCC is a large community room and kitchen which are available for rent. Fees for use are minimal, ensuring groups with conservative budgets have a safe and convenient place to meet. AA and other groups utilize our space frequently throughout the year.
