"We Are Making A Difference" April 2019

"I Lead By Following People"...and What An Amazing Leader He Is!

For those of you who don't know Michael Russo, and for those of you who do and love him as much as we do, we would like to talk a little bit about the amazing commitment he has made to Franklin. Mike joined the Board of Directors for Franklin Community Center in 1991 – yes, that is correct, during the 90's, and has been on the Board ever since. That's a whopping 28 years of uninterrupted and dedicated service.

After almost 3 decades of service, Mike is retiring from the Board to spend some time with his family, enjoy retirement, and fend off calls from us begging him to come back. Mike has the distinction of serving as President, Vice President, Treasurer and Secretary, all more than once, and pretty much every committee we have ever had. He has been involved with all of our fundraising efforts including the soft pretzel stand at the Track Open House and our coin drops, both of which have been gone for a long time! According to Mike, he "has done a little bit of everything at Franklin over the years."

Mike became involved with Franklin through his strong connection with the United Methodist Church; an organization who has always shown Franklin support. He was introduced to our Center, and after careful consideration and prayer, decided to take the leap into Board membership. His response to why did you join..."I was looking for a way to give back to my community. I have been blessed to have this opportunity to do for the community what I would not have been able to do alone." says Mike. "During my childhood my father was always willing to do something for someone else and I wanted to do the same. Being involved in Franklin gave me this chance and also allowed me to influence my daughters with my actions."

Mike talked about how much smaller of an impact the Center had in the 90's and how he has been able to watch the growth himself. "I have always been impressed with our Project Lift youth program and our dream, even back then, was to expand it to all the elementary schools. Together we accomplished that dream, and it's amazing. Today, more of our community has an understanding of Franklin and are willing to help out."

When asked what's next for Mike, he told us spending some quality retirement time with his wonderful wife Sharon is definitely on his agenda. Mike isn't ruling out the possibility of a come-back but does want to explore what this next chapter has in store for him. "Being a member of the Board allowed me the opportunity to meet, work with, and learn from many other individuals who I ordinarily would never have met – what a great experience! To all of you potential future Board members, of any agency, my advice to you is to take the chance and give back. What you have to bring is important."

Mike, we at Franklin hope you realize how much of an impact you have made here. Your tireless service has propelled us forward. Your willingness to be a leader, to take chances, and to listen to what others have to say without judgement and preconceived notions is truly remarkable. Thank you for all that you have done.

P.S. We promise to give you at least 90 days before we come knocking!

In Project Lift News:

From the Coordinator...

We are so happy to welcome our 45 new high school volunteers this semester who will be joining us until June. It has been a long winter and we are anxious to get outside this spring, especially in May when our friends from Camp Chingchgook join us for a day of cooperative games and team building activities! There is lots more coming up for us before we finish in June including our Spring Fling family event and our highly anticipated Art Show. We're also planning our goodbye celebrations to our fifth graders. This year we are sending thirty of them off to middle school from all six of our programs. Project Lift will end the year with our annual picnic in a new location, the Saratoga YMCA.

-We would like to extend our thanks to the Christopher Dailey Foundation, Saratoga Springs Rotary Club and the Saratoga Regional YMCA for the generous support this year providing summer camp scholarships.

- Mark your calendars! Our Project Lift University fundraiser is scheduled for September 26th at Longfellows. We hope to see you there!
