Dear Friends,

As President of the Franklin Community Center Board of Directors, I welcome you to the 2019 Annual Report Edition of Franklin Footnotes and encourage you to look through this publication to see what Franklin has accomplished in the past year and the direction we are heading.

The Center is driven by efficiency and fiscal conservancy, combined with the compassion and empathy necessary to provide such vital services to those in-need. I am continually impressed by the well-balanced and unique dynamic of this non-profit organization. Their ability to identify and address a need in the community is a trait that a donor searches for when choosing an organization to lend support.

If an individual or family is in need of food, clothing, education, shelter or guidance they can call upon Franklin Community Center for help. For over 35 years the dedicated team at Franklin, comprised of staff and volunteers, has worked tirelessly to ensure those in need have access to information and basic necessities. Our staff is always working to meet the ever-changing needs of the community through our range of programs and services. With your support, cooperation, and assistance, we can continue to grow and improve ourselves in the upcoming year.

Franklin has EXCITING news that will be shared with YOU very soon. We have been quietly working behind the scenes on a new project that will enable Franklin to better meet the needs as they exist today and into the future. We can't wait to tell you more so please, stay in touch. Visit our website, Facebook and Twitter pages, stop by and say "hello", and stay tuned...a game changer is coming our way!

Happy New Year and Best Wishes,

Jason Lynch, President – Board of Directors

### *Additions to the Franklin Family*

Abby Kirchert, long time volunteer, joined the Franklin staff as our Food Pantry Assistant/Volunteer Coordinator and has been a huge asset to the Center and those we serve. Rebecca Green, Brooke Meyer and Alex Hilker have joined the Project Lift staff as Family Outreach Educators for our elementary Project Lift program. Also new to the team are Eva Anderson, Brianna Kelly and Carly Moran who have joined as Prevention Educators for Project Lift.

Brian Nealon joined Franklin’s Board of Directors at the Annual Meeting in May 2018. Brian is the CEO at the Wesley Community, a large, multi-faceted, not-for-profit retirement community in Saratoga Springs. He is currently Chair of LeadingAgeNY’s Services Board of Directors and served nearly 8 years on the Saratoga County Chamber of Commerce’s Board of Directors, including being the 2008 Chairperson of the Board. # Program Update

*Project Lift News* by Colleen O'Connor Potter ([colleen@franklincommunitycenter.org](mailto:colleen@franklincommunitycenter.org))

At Project Lift, in addition to our drug and alcohol curriculum, team building games and art projects, seven events are held during the school year. These events help to strengthen the parent-school relationship by providing a positive school experience for parents and their students. For our Lift students, the goal of our family events is to provide opportunities to interact positively with family members and practice implementing skills such as effective communication, teamwork, positive attitude, manners and respect. During the 2017-2018 school year, a record 669 family members attended family events at the six schools. In the fall of 2018, we partnered with the Culinary Arts students and Chefs at WSWHE BOCES in Saratoga. The students work with their Chefs to prepare a light meal such as chicken wings, mac and cheese, hot dogs and nachos for each of the six schools throughout the year. We are so grateful for this delicious partnership!

*Food Pantry News* by Julie Slovic ([Julie@franklincommunitycenter.org](mailto:Julie@franklincommunitycenter.org))

As in years past, the food pantry is in constant motion. We are seeing many local residents utilizing our services to maintain food security among their households. We are also seeing local community members, businesses and civic groups getting involved with the pantry and helping us meet the needs as they exist. On a monthly basis we serve an average of 900 people with not only food but non-essential food items like laundry & dish soap, personal hygiene items, etc.

For our 4th year in a row we have been able to provide our customers with locally grown and freshly harvested produce thanks to the help of so many volunteers who make sure our community garden is growing. We will be working even closer with Pitney Meadows Farm this upcoming season to benefit from their "Giving Garden" and to maintain garden plots of our own.

We are so appreciative of all of our supporters but would like to give a special recognition to our business community who have a fixed donation schedule. THANK YOU Freihofer's Bakery, Fresh Market, Hannaford, Healthy Living, Panera, Price Chopper, Saratoga Farmers Market, Spot Coffee and Thomas's Poultry Farm for donating 35,658 lbs of food to support the pantry in 2018!!

We are grateful to have your continued support and we pledge that 2019 will be even better.
